Alexis Ceaser is an Associate Attorney in the Inland Empire office. She strongly believes in the importance of proactive client communication, timely responses, and fostering relationships. Her main priority and focus are to zealously work towards successfully resolving cases in the most cost-effective manner.

Alexis was admitted to the State Bar of California in 2021. She graduated from California State Polytechnic University, Pomona where she majored in Business Administration with an emphasis in International Business. Alexis then obtained her Juris Doctor Degree with a concentration in Business from California Western School of Law in 2021. While in law school, she made the Dean's List, served as the Student Bar Association ABA Representative, and was awarded Justice Wiley W. Manuel Certificate for her outstanding efforts toward pro bono legal services.

Alexis grew up in both Compton and West Covina, California. In her spare time, she enjoys making soy candles and essential oil blends for her family and friends. If there were three words to describe Alexis, it would be loyal, ambitious, and funny.

An ideal weekend for Alexis comprises of hiking for hours on end or cooking a delicious dinner for her loved ones on a Sunday night. As for her favorite food, she loves seafood boil with shrimp, crab, crawfish, and corn. If her life had a theme song, it would be "Blessed" by Wizkid ft. Damian Marley.

Her favorite novel is *The Alchemist* by Paulo Coelho because it is filled with an abundance of life lessons and allows readers to reflect inwardly. Alexis lives by the phrase, "We may encounter many defeats, but we must not be defeated." (Maya Angelou)
