Angela Currie is a Senior Associate Attorney in the Inland Empire office and is a Certified Specialist in Workers' Compensation. She strongly believes in swift resolutions of files and building strong and lasting relationships with clients.

She was admitted to the State Bar of California and all the Federal District Courts in California in 2006. Since that time, Angela's practice has focused on workers' compensation defense. Prior to joining Albert and Mackenzie, she worked her way up from Associate to Shareholder at a workers' compensation defense firm localized in southern California. Throughout Angela's career, she obtained a handful of "Take Nothing" findings on both case-in-chief and lien files. Her strategic approach has also successfully convinced doctors to reduce the amount of PD or change apportionment on a file via deposition.

Angela grew up in Rancho Cucamonga, California. She was a competitive gymnast up until her collegiate years and now competes regularly in CrossFit competitions.

Every four years, Angela enjoys watching the Olympics. Number one on her bucket list is to watch the Summer Olympics in person. If she could learn to master a new skill, it would be skiing or snowboarding.
