Bryn Werner is a Senior Associate Attorney in the San Francisco office. She believes in efficient case management strategies to provide cost-effective solutions for all clients.

She was admitted to the State Bar of California and all Federal District Courts in California in 2018. Since that time, Bryn has been working exclusively in workers' compensation law. Before joining Albert & Mackenzie, she gained extensive experience as a defense attorney throughout California. Inspired by her father, who also specializes in workers' compensation law, Bryn brings both passion and expertise to her practice.

Bryn grew up in Berkeley, California. She carries the values of dedication, care, and loyalty into every aspect of her work. If Bryn's life had a theme song, it would be *Know Me Well* by Roo Panes.

In her free time, Bryn is an avid yoga and pilates enthusiast who loves to hike and immerse herself in a good book. Her favorite novel, *Kafka on the Shore* by Haruki Murakami, provides a serene escape from her busy schedule. Additionally, Bryn enjoys expressing her creativity through drawing.
