Dinesh Karma is a Senior Associate Attorney at Albert and Mackenzie's San Francisco bay area office. He has handled various worker's compensation matters including settlement negotiations, depositions, and trials.

Dinesh believes that tailoring a case's specific plan of action and maintaining constant communication with all parties is the best way to move a claim towards closure. This proactive approach has led Dinesh to obtain multiple Take Nothings, including a Take Nothing after a two-court session AOE/COE trial at the San Francisco Workers' Compensation Appeals Board. Prior to joining Albert and Mackenzie, he worked at a smaller workers' compensation defense firm where he handled his own caseload from inception to closure.

Dinesh grew up in San Diego, California. His first job was a Go-Kart Attendant at a Family Fun Center at the age of 15. He believes his parents has provided him with the motivation and drive to be where he is today. If Dinesh's life had a theme song it would be "Hakuna Matata" from *The Lion King*.

When it comes to Dinesh's ideal weekend, it is time spent with his wife at Napa. His hobbies and interests include watching football and basketball, playing golf, and barbequing.

If Dinesh could have one superpower, it would be the ability to time travel. His favorite place in the world is Bali, Indonesia. In 10 years, he would like to go back to Bali with his wife. Fun fact: Dinesh has been to eight different countries.
