Jennifer Boeck is a Senior Associate Attorney in the Orange office. Her strength is constant communication with parties and believes it is of the utmost importance to keep cases moving forward for a cost-effective and prompt resolution.

Jennifer was admitted to the State Bar of California in 1999 and the Nevada Bar in 2000. She has been defending workers' compensation claims since 2002. Prior to joining Albert & Mackenzie, Jennifer worked at various statewide workers' compensation firms in California. One of the highlights of her career is obtaining seven Take Nothings in a six-month period!

Jennifer grew up in Arizona. Early in her childhood, she enjoyed watching baseball and attending games with her father. It is now a hobby Jennifer likes to share with her children. She is a big fan of the Los Angeles Angels.

Jennifer decided to pursue law because she wanted a stable career where she could be of service. This job has given her the ability to meet so many people with diverse personalities. She has also had the opportunity to learn from other talented attorneys.

Jennifer's favorite holiday is Christmas. An annual tradition in her household is hosting an open house on Christmas Eve with an abundance of Mexican food for her family and children's friends to enjoy.
