Julian Lis is a Senior Associate Attorney in the Long Beach area office. He believes in outstanding client service with a focus on consistent, proactive communication leaving the client to never wonder about the status of their case. His client service philosophy is to pursue all possible avenues zealously and creatively toward a fair and equitable settlement.

In Julian's career as a workers' compensation Attorney, he has successfully settled liens with balances of many thousands of dollars. Prior to joining Albert and Mackenzie, he interned with the Pasadena City Attorney and the Orange County District Attorney.

Julian is from Temecula, California. His interests include reading, sailing, and baseball. An ideal weekend for Julian consists of renting a powerboat and cruising the waters for hours. One thing he absolutely cannot live without is his cold brew coffee maker.

After school, Julian would watch *Judge Judy*, which sparked an interest in him to become a lawyer. He lives by the phrase, "If you're already doing something, might as well try to do it well." Three words to describe Julian are quiet, flexible, and determined.

Number one on Julian's bucket list is to acquire a pilot's license. His favorite place in the world is Iceland. If Julian could choose an individual to be his mentor, it would be Pope John Paul II.
