Justin Brewer is an Associate Partner in the Roseville office. His professional philosophy is to aggressively defend cases in the most cost-effective manner, all while providing outstanding service and communication to clients.

Justin's experience includes defense of high exposure cases, death claims, Serious & Willful, and LC 132A claims. Prior to joining Albert and Mackenzie, he worked as a workers' compensation defense Attorney and practiced civil litigation, handling cases throughout the Bay Area and Central Valley.

Justin was born and raised in Orinda, California where he attended Miramonte High School. He then attended California State University, Stanislaus, majoring in Criminal Justice and graduating *magna cum laude*. He attended Creighton University School of Law, graduating in the top 1/3 of his class.

In his spare time, he enjoys working on his Ford Mustang and Toyota Tacoma, hiking with his dogs, cooking, and woodworking. If he were to pursue a career other than law, he would be in the trades industry working as a mechanic or electrician.

When it's time to relax and turn on the television, Justin is watching sitcom *Schitt's Creek* or *The Office*. As for his favorite place in the world, it is anywhere with his wife Bridgett and daughter Josie, and their two dogs, Percy and Maggie. If his life had a theme song, it would be "I Won't Back Down" by Tom Petty.
