Kelsi Morris is an Associate Attorney in Albert & Mackenzie's San Diego office. She strongly believes in clear, thoughtful communication and a logical, resolution-focused approach, drawing on her mediation background to achieve efficient, client-centered outcomes.

Kelsi was admitted to the State Bar of California in 2025. She earned her undergraduate degree in Criminal Justice from Boise State University and received her Juris Doctor from McGeorge School of Law. Before joining Albert & Mackenzie, she worked on civil matters as an Associate Attorney, managing cases from inception through resolution.

Her interest in advocacy and problem-solving led her to pursue a career in law. Kelsi was drawn to the opportunity to help people navigate complex issues, support organizations through challenging situations, and make a meaningful difference through her work.

Originally from Washington, Kelsi grew up on a Christmas tree farm, which is one reason Christmas remains her favorite holiday. Outside of work, she enjoys Pilates and HIIT classes, long walks, spending time near the water, cooking, trying new restaurants, and reading or listening to personal development books.

If her life had a theme song, it would be "Footprints on the Moon" by Gabby Barrett. It is a song she has turned to before finals, the bar exam, and other major milestones, and it serves as a reminder that people are often capable of more than they realize.
