Manal Georges is a Senior Associate Attorney at Albert and Mackenzie's San Jose office. While each case presents its own unique challenges, Manal likes meeting those barriers head-on and taking an aggressive approach to achieve the best results for her clients. Manal enjoys working with her clients, getting to know them on a personal level, and obtaining the most cost-effective and beneficial resolution.

She is dedicated to her involvement in the workers' compensation community. Manal serves as the defense chair of the Santa Clara County Workers' Compensation Attorney Association. She has developed a positive working relationship with the Presiding Judge, applicant's attorneys, and QME doctors in which she works collaboratively with to establish monthly continuing education luncheons for the local workers' compensation community.

Manal grew up in San Jose, California. Three words to describe Manal are honest, loyal, and kind. In her spare time, she enjoys playing with her nieces and nephews, bicycling, and hiking.

Manal's favorite musical genre goes back to early 2000's pop. When it comes to sports, Manal is cheering on the San Francisco 49ers and Golden State Warriors. If she had an option to pursue another profession other than an attorney, she would be a wedding planner as she loves weddings and event planning.

Manal lives by the words, "Always look for the silver lining." If she could choose an individual as a mentor, it would be Ruth Bader Ginsburg. Fun fact: Manal's partner is teaching her long-distance bicycling and she just signed up for her first race!
