Maria Regnier is an Associate Attorney in the Encino office. She strongly believes in clear and consistent client communication and prioritizes resolving cases in an efficient and cost-effective manner.

Maria was admitted to the State Bar of California in February 2025. She previously practiced corporate and financial law at a Colombian law firm and later served as a Judicial Clerk at the Snohomish County Superior Court. What Maria enjoys most about her work is the mental challenge it provides – digging into details, interpreting laws, and crafting persuasive arguments.

Maria grew up in Cali, Colombia. Staying active isn't just a hobby for Maria – it's part of who she is. From hikes and bike rides to runs and gym sessions, she enjoys challenging herself physically just as much as she does mentally in her profession.
