Matthew Waldron is an Associate Attorney in the Sacramento office. He strongly believes in swift resolution and building a relationship with client.

Matthew was admitted to the State Bar of California and all the Federal District Courts in California in 2022. During his undergraduate studies, Matthew joined the university's ethical debate team, which ultimately inspired him to pursue a career in law. He enjoyed researching complex fact patterns and developing arguments to persuade a panel of judges.

Matthew grew up in Marlborough, Massachusetts. If his life had a theme song, it would be *Just Dance* by Lady Gaga. His interests include philosophy, politics, psychology, and nature/conservation.

In his free time, Matthew enjoys hiking, rollerblading, meditating, playing guitar, skateboarding, and golfing. His favorite novel is *Stillness Speaks* by Eckhart Tolle, a book that changed his approach to stressful situations in daily life and ultimately grown his capacity to persevere. (*Stillness Speaks* also helped Matthew during his time studying for the bar exam!)

If given the opportunity to select anyone from the past or present to be his mentor, Matthew would have sought the mentorship of Marcus Aurelius, the Last of the Five Good Emperors.
