Michael Lee is an Associate Attorney in the Inland Empire area office. He is a firm believer in constant client communication and represents his clients' interests by efficiently and aggressively moving cases towards a successful resolution.

Michael was admitted to the State Bar of California in 2021. Since being admitted to the State Bar of California, his practice has focused solely on workers' compensation defense. Michael graduated from University of California Santa Barbara where he majored in Political Science and minored in German. He then obtained his Juris Doctor Degree from Santa Clara University School of Law in 2021 graduating on the Dean's List.

Michael grew up in various states throughout the country – his favorite being San Marcos, California. In his free time, he enjoys being active, going to the beach, and attending live music shows and festivals. An ideal weekend for Michael comprises of going for a run followed by a trip to the beach and sushi for dinner on a Saturday, and peace and relaxation on a Sunday.

When it comes to sports, Michael is rooting for the Portland Trailblazers and the Oregon Ducks. One thing he absolutely cannot live without is music. If Michael had to choose one album to take to a deserted island, it would be *How to be a Human Being* by Glass Animals.

Number one on his bucket list is to purchase a sailboat and take time to leisurely sail the open seas while visiting different parts of the world. Fun fact: At the age of 25, Michael has lived in 12 different cities spanning across three different states.
