Morin Sasi is a Senior Associate Attorney in the Agoura Hills office. She recognizes the importance of client communication and quick resolution of claims, thereby proactively engages with applicant attorneys until the matter is resolved to the client's satisfaction.

Her biggest success is keeping clients happy and maintaining positive working relations with applicant attorneys to successfully obtain early settlements. Prior to joining Albert and Mackenzie, she worked for a high-profile family law firm in Los Angeles where she excelled in settling the most contentious and intricate matters.

Morin grew up in Encino, California. If there were three words to describe Morin, it would be loyal, optimistic, and hard-working. In her free time, she enjoys meditating, doing yoga, and going on adventures with her husband and children.

Morin loves traveling. Her favorite place in the world is Israel. She is also a major foodie, but if she had to choose a favorite dish, it would be sushi. Morin's bucket list comprises of taking a cross-country trip with her family in their RV, spending time in Southeast Asia, and exploring the African safaris.

She lives by the phrase, "Look for the good in everything." Fun fact: Morin's parents are both one of 12 siblings. She has over 80 first cousins!
