Rolland Vallejo is a Senior Associate Attorney in the Sacramento area office. He strongly believes in the importance of client communication and focuses on successfully resolving claims in the most timely, cost-effective manner.

One of Rolland's accomplishments in his workers' compensation career thus far is his success in obtaining a dismissal of a client as a defendant and receiving a full reimbursement of \$70,000 expended on a previously accepted cumulative trauma claim. Prior to joining Albert and Mackenzie, Rolland owned and managed a real estate brokerage firm. Having run his own business for over ten years, he understands and appreciates the importance of going above and beyond for our valued clients.

Rolland is from Stockton, California. If there were three words to describe Rolland, it would be nice, friendly, and funny. His interests include skiing, spending time with his family and 13-year-old dog, and watching television and movies.

Rolland enjoys listening to pop music. If he could learn to do anything, he would like to play the guitar. His current favorite television show to watch is the comedy series *Awkwafina is Nora from Queens*.

Rolland lives by the phrase, "Don't worry, be happy." When it comes to sports, he is rooting for the Las Vegas Raiders. As for Rolland's favorite place in the world, it would be his home. Fun fact: Rolland is a grandparent.
