Tori Arnau is an Associate Attorney in the San Francisco office. She strongly believes in achieving cost-effective case resolutions and building long-lasting relationships with clients. With a focus on strategic advocacy, Tori works to secure favorable outcomes while maintaining client trust.

She was admitted to the State Bar of California and the Federal District Courts in 2023. Since that time, Tori's practice has focused on workers' compensation defense, employment discrimination, retaliation, and wrongful termination. As a Filipino American and first-generation college graduate, Tori was drawn to the legal field to contribute to greater representation in a profession where her background is underrepresented.

Tori grew up in Los Angeles, California. Outside of work, she enjoys karaoke, cooking, traveling, and attending Dodgers games. If her life had a theme song, it would be "More Adventurous" by Rilo Kiley.
